

Trouble shooting

After registering your account you will arrive at this page. In this drop down pick the course you need.

The screenshot shows the ACORN learnhub.ie dashboard. At the top, there are navigation icons and a URL bar showing 'acornlearnhub.ie/dashboard'. The ACORN logo is on the left. Below the header, there are three main status boxes: 'Assigned' (0), 'In Progress' (0), and 'Completed' (0). Under 'Completed', it says 'Recently Completed Courses' with columns for 'LEARNER', 'COURSE NAME', 'LIVE', and 'ARCHIVE'. Under 'Assigned', it says 'Recently Assigned Courses'.

To change your password. Go to your initials on the top right hand corner and under profile you can update your password if you need to.

The screenshot shows the 'Profile' section of the ACORN learnhub.ie profile page. It has two main sections: 'Profile Information' (with fields for Photo, Name, and Email) and 'Update Password' (with fields for Current Password, New Password, and Confirm Password).

Lastly, to access your certificate when you have completed your training, go to the download button on your dashboard.

For any difficulty, please email acorn learn hub for support info@acornlearnhub.ie
